# ABOUT US

Established in 2006, Pinnacle Packs is a manufacturer of disposable and eco-friendly paper and plastic products, operating a 50,000-square-meter facility with a capacity of over 200 high-cube containers per month.

The company holds key international certifications such as ISO9001, ISO14001, FSC, BRC, BSCI, and compostability standards like BPI and OK Compost.

Focused on innovation, quality, and sustainability, Pinnacle offers a wide range of products with competitive pricing and reliable delivery, serving markets across North America, Europe, and Australia.
